## THE STONE STUDIO DUBLIN

The Stone Studio is a state of the art purpose built showroom open to the public and industry trade professionals. The Showrooms are located just 1 minute off exit 14 on the M50 in Sandyford.

Our large format slab displays and purpose built kitchen units and islands, allow you to visualise our stone in situ.

All our products are sourced from the most reputable stone producers across Europe. We have exclusivity on over 200 colours from two of the worlds most innovate trend setting brands: SM Quartz and Infinity Surfaces from Italy. We only stock premium products so all our stone comes with NSF and Greengard certificates. This means they are suitable kitchen worktops that are safe for food preparation. All our products are stain, scratch, chip, and heat resistant and are the most durable and low maintenance products on the market.

Our head office, manufacturing facility and slab showroom, Stonefacings Ltd, is based in Mullingar, Co Westmeath. It is the largest stone fabrication unit in Ireland. We utilise world leading Italian and German Technology to ensure accuracy and perfection with every worktop. Thanks to our large manufacturing facility, our turnaround time is 7- 10 days from the date of survey to the fitting of your countertop.

Our Mullingar slab warehouse has over 4,000 slabs in stock and is open to the public and industry professionals . Here you can view full slabs and along with the Mullingar showroom, see our complete range.
